

BLESSING OF NATIVITY SCENE

Saving God, when you came to earth
you arrived not in a palace but a stable.
You were greeted not by trumpet blasts,
but the sounds of cows and sheep.
Your first visitors would be lowly shepherds
sent by your messengers, the angels.
Like the bright star, we stand in wonder,
like the kings, we marvel at the Christ child.
With Mary and Joseph we look on in faith.
'Come, Lord Jesus', visit your people.
Enable us to bring your peace and justice
to a world that stands in need of you
and those who will act in your name.
This we pray through Christ Our Lord. Amen.
