

Youth Migrant Project Donation List

Some give by going. Some go by giving.

Ten high school students from OLG will serve on the Youth Migrant Project this July. The teens work at a food bank, host a fiesta for migrant families, provide lunches for children, work in the fields, attend Mass in a migrant camp, and reflect together on the experience in light of our faith. As part of our trip, we collect donations for the families we will meet. Please consider donating some of the items below.

Please return to the box in the narthex by June 25.
