Rachel's Corner

Hope and Healing After Abortion

"Before the retreat, my life was full of anger, my cross was heavy, and I was angry with myself; on retreat I went through detox because that is what it is like to be filled with pain, anger, and frustration. Now I am feeling my healing and my resurrection to this new life God has given me. He has fed me with His word, His Mass and His communion."

- Testimonial;

Your healing after abortion can most certainly be a resurrection to a new life that you thought would never be yours again. Ask Him to give you the courage to take that step towards Him. He will do everything else. Rest in Him on a Rachel's Vineyard™ Retreat and come alive again.
