

# Christmas Tree Blessing

Loving God, in the dead of winter,  
Filled with hope, we await our Savior.

Green is the color of hope.

Bless our tree of green and the friends and  
family who gather around it.

May the twinkling lights remind us of  
Christ our Light.

May the gifts under the boughs make us  
remember the gift of salvation in Christ  
Jesus.

Open our hearts in generosity this season,  
especially to those who are in need.

We make our prayer through Christ our  
Lord. Amen.
